Subject: Meeting Request - Update on LTCPU Progress

Doug –

We'd like to meet at your office to give you a briefing of where we are in the development of the Long Term Control Plan Update. I think 2 hours should be plenty of time. Are you and your colleagues available either Thursday Jan 29 in the morning or on Friday Jan 30 (both morning and afternoon work for us)?

Have a good weekend,
Erin Bevis-Carver, P.E.
